

Executive To A Team

Certainly every one of the 7 positions in Arkworld is an important one, when you're on board the Ark and helping Arkworld to take better health and prosperity around the world. However, Executive is the first big step and commitment that a Distributor can make, on the road to becoming a leader and a future A Team Member in the company. In fact, once you have qualified as an Executive, you are well on your way to future greatness with Arkworld.

For anyone joining the company and becoming a new Distributor, **Executive** is the place to be!!

It's obvious why Executive is the place to be, when we look at the Sliding Scale in Arkworld in more detail:

PV	DISCOUNT
800	40 %
600 - 799	35 %
400 - 599	30 %
200 - 399	25 %
0 - 199	20 %

On the sliding scale as shown by the diagram on the left, once a Distributor starts retailing and moving up the chart, their discount becomes greater. However, if a Distributor achieved 500 or 600 pv (personal volume) points in sales that month, at the start of the next month, he or she would have to slide back down the sliding scale and start again.

Although the great thing is, once a Distributor achieves over 200 pv points at 25%, he or she never goes below 25% again, even when they start a new month. Also once a Distributor achieves 800 pv points at 40%, they never fall below 40% again.

If you want to earn double the money for the same job, the place to be is at the Executive position and to reach the 40% discount on the sliding scale.

For Example:

If a Distributor was to retail 100 US Dollars or Pounds of products to a customer, they would buy the products for \$80.00 / £80.00, at a 20% discount and make \$20.00 / £20.00 in profit. If an Executive was to retail the same \$100.00 / £100.00 of products to a customer, they would buy the products for \$60.00 / £60.00, at a 40% discount and make \$40.00 / £40.00 retail profit.

SAME JOB, BUT DOUBLE THE MONEY!!

Qualifying for Executive couldn't be easier.

1. Achieve 800 pv points in personal sales volume in one qualifying calendar month.....OR....
2. Achieve 500 tv points in sales volume in 2 consecutive qualifying months.....OR.....
3. Achieve 800 tv (total volume) points in sales volume in one calendar month, with 300 of those points being unencumbered. **(Personal Volume + Group Volume = Total Volume)**

So when you join the ever growing Arkworld family and become a Distributor for the company, you have to ask yourself one question?

WHAT POSITION WOULD I LIKE TO START WORKING FROM?

20%, 25%, 30%, 35%, or 40% as an Executive

THE CHOICE IS YOURS!!

Let's take a look at a few other incentives and reasons why

EXECUTIVE IS THE PLACE TO BE

1. Obviously, as well as earning **40% Retail Profit** by selling the products, if an Executive personally sponsors 2 Active Distributors underneath them, they will also earn an **Ark Royalty Kommission** as well, 4 levels deep.
2. With 4 personally sponsored Active Distributors, Executives would also earn an **Ark Matching Bonus** as well, which would send incomes soaring.
3. Also, Executives would be able to earn these commissions and bonuses, off of any **Breakaway Arks** as well, so they can earn wide as well as deep. The possibilities are endless!!
4. On top of this, Executives will receive **recognition** from other Distributors and the company.
5. Be able to take part, in exclusive **Executive meetings**, conference calls and Executive Workshops.
6. Executives will be included in the special **Arkworld information hot line**, email blasts and faxes to receive promotions, events and news faster to help and assist their business.
7. They will obtain special Millionaire Leadership Training, in the regular corporate **Executive Workshops**.
8. Coming soon in the company they will also be able to receive a special **Executive Certificate of Achievement**, personally signed by Mark Landon, (President and Founder of Arkworld) to put on their home or office wall.
9. Lastly and also being introduced soon to the company, they will also receive a special **Executive Pin** to wear on their lapel, as a sign of their commitment and achievement at becoming an Executive for Arkworld.

To be an Executive, is not only a show of commitment to the company and your sponsor, but it is also a commitment to yourself.

It also shows that you are serious about the company, opportunity, the products and your future.

The Executive position is the first real Leadership Step in Arkworld's Arketing Plan and once you have become an Executive, you are well on your way, to becoming a future...
